Agriculturists Win First Round of Fair Squabble; Public Meeting Is Called

Fate of the Alameda County Fair appears to be near decision following a board of supervisors' hearing attended by a number of local farmers and others who are opposing sale of the race track at the fairgrounds and who are advocating operation of the fair under a new agricultural district.

Following Tuesday's hearing, the supervisors scheduled a general public meeting for Wednesday, June 11, at 2 p.m. at the court house in Oakland for airing of all views on the matter of future operation of the fair.

In opening Tuesday's hearing, Chairman Bartell emphasized "We want to do what the people want. We welcome any suggestions to the solution of the problem."

GROWTH CITED

George C. Roeding Jr., chairman of "The Committee of 50," set up last month to save the county fair and fairgrounds, noted the growth of the county and the great need for an adequate county fair with worthy agricultural exhibits.

He pleaded that no part of the Pleasanton fair grounds be sold to "private interests" but rather that another agricultural district be formed.

Through such a program the grounds would not only be used for fair purposes, but also could be used the year 'round as a recreational center.

Use of the agricultural exhibits as "just a side show" to the horse races was hit by Roeding.

Under such an arrangement he said the county could have a state controlled fair, taking advantage of state support and experience.

STATE ACTION

Dr. T. C. Wilson, chairman of the fair committee of the Niles Chamber of Commerce, pointed out that action by the state legislature is necessary for such a move and that an immediate decision must be made if such action is to be taken at the present session.

"We want the fair grounds kept intact," was the plea of Edwin E. Orloff of Pleasanton.

Similar thoughts were presented by John Olson of the Castro Valley Farm Bureau.

Milo Ayer, Oakland attorney, and Murphy Hamilton of Berkeley took the floor backing the fair bloc. Ayer said:

"The county should have a place where a creditable fair can be held. It is important to we city folks to have a place to go once a year to see what is going on in agriculture."

"RACKETEERS" HIT

Hamilton attacked the "private interests" who might operate the race track as "racketeers."

The leading part played by Alameda County in the production of flowers, vegetables and grain was emphasized by Fred Cox of the Hayward Area Chamber of Commerce, as he backed the district proposal.

W. J. Wagoner of Livermore pointed out the county's reputation for grapes, cattle and sheep as he favored the plan to keep the fair grounds intact.

"I see no advantage to selling any part of the fair grounds," said Tom Brenkwitz of Mt. Eden. "I'm 100 per cent against the sale of any part of the grounds and 100 per cent in favor of the state plan."

L. R. Batman of Niles, Joseph R. Williams of Pleasanton, and John Amaral of Pleasanton, also backed the state proposal.

POOR DATES HIT

Like sentiments were expressed by Frank Faria of San Lorenzo and L. S. Williams of Centerville.

In a brief reference to last year's fair exhibits the farm representatives denied being to blame for the poor exhibits.

They contended the fair dates were aimed for good racing days without regard to the farmers' ability to produce good exhibits. They pointed out that July, the month the fair was held, was the worst month of the year for them to come forth with prize products.

BOND VOTE TODAY AT CENTERVILLE

Centerville Elementary School District has called a $60,000 bond issue election for today (Friday).

Polls will be open at the school from 7 a.m. to 7 p.m., it has been announced by election officials.

Principal Tom Maloney stated this week that the fund is needed for the erection of additional class rooms and a garage to house the recently purchased school bus. The new improvement and enlargement program was deemed necessary by Manuel Oliveira, Judge Allen G. Norris and Ernest J. Sabina, board of trustees of the school.

RAINFALL CAUSES BLACKOUT; DAMAGE TO CHERRY CROP

Washington Township received .20 of an inch of rainfall Wednesday evening which blacked out Niles, Irvington, and Mission San Jose for nearly an hour and caused considerable damage to the cherries still remaining on the trees.

The blackout was caused by an electrical switch shorting out because of the rain. The switch, which is located near Newark on Mowry Road, cut off all power to the three communities. A. J. Petsche, manager of the Niles P. G. & E. office, reported Thursday morning that current was restored to Niles after about 30 minutes and to Irvington and Mission San Jose after approximately 40 minutes.

Cherry growers reported that the majority of the crop had been harvested but the remaining cherries, already soft from last week's rainfall, received considerable damage from Wednesday's drizzle.

Manuel Swartz, keeper of the rain ganuge at the S.P. depot in Niles, disclosed yesterday that the total rainfall for the year for the area for the year, running from June 1, 1946, through May 31, 1947, was 12.51 inches. The total yearly rainfall for the 1946-47 year was more than 3 inches under that of the preceding year.

MERCHANTS CONFERENCE

Merchants of Washington Township will meet in the visual education room of Washington Union High School tonight (Friday) at 7:30 o'clock for the second in a series of five retail management conferences.

Tonight's meeting will cover the topic, "Problems of creating unique store personalities to make Washington Township a more exciting place to shop," with Earl H. Kielselhorst as the discussion leader.

MIDSHIPMAN ROLAND M. BENDEL, son of Mr. and Mrs. Roland Bendel of Niles, is a member of the June 1947 graduating class at the United States Naval Academy, Annapolis, Md. Midshipman Bendel is a graduate of Washington Union High, and later attended a prep school in California and was under the Naval Reserve program at the University of California prior to entering the Academy. He expects to return home to California after the graduation ceremonies.

MISSION CALLS TAX ELECTION

Members of the board of trustees of Mission San Jose Elementary School District have called a special election for July 22 asking for authorization to increase the district school tax to $1.30 from the present 80 cents.

The need for the increase in revenue was brought out at a recent public meeting of residents of the district when the necessity for increasing present teachers' salaries became apparent. Principal E. B. Hodges pointed out at the meeting that it would be difficult to maintain a teaching staff in lieu of the salary boost for teachers in the other schools.

Polls will be open in the school from 1 to 6 p.m.

GRADE SCHOOL GRADUATION NEXT WEEK

CROWD OF 40,000 ATTEND MISSION SESQUICENTENNIAL

An estimated 40,000 persons visited Mission San Jose last Friday, Saturday and Sunday to attend the three-day sesquicentennial celebration marking the 150th anniversary of the founding of the mission in 1797.

All those attending were quick to praise the splendid work accomplished by the committees in charge of the celebration in offering such a well rounded out program.

The festivities began at 1:30 p.m. Friday with the dedication of a bronze plaque which will be attached to the mission.

PLAQUE DEDICATED

On the plaque is the inscription, "This tablet dedicated May 30, 1947, as part of ceremonies commemorating the one hundred and fiftieth anniversary of the founding of Mission San Jose by Father Lasuen on June 11, 1797. Placed by Historic Landmarks of California Committee and Washington Parlor No. 169, Native Sons of the Golden West."

Judge Allen G. Norris, Centerville, presided at the ceremonies and introduced high ranking officers of the organization, among who were Mrs. Lorretta Cameron, grand president of the Native Daughters of the Golden West, and Edward T. Schnarr, past grand president of the Native Sons.

Formal presentation of the plaque was made by Joseph R. Knowland, chairman of the Landmarks Committee, who spoke briefly of the history of the mission.

Rev. John A. Leal, pastor of St. Joseph's Church, Mission San Jose, in accepting the plaque, stated, "I welcome this plaque. It will tell the future generations that after 150 years the work of the padres did not die with the Indians."

PAGEANT IS ENJOYED

Highlight of the three-day celebration was John Sandoval's historic pageant, "Build We Here a Mission," presented at an afternoon and two evening performances under the direction of Everett Glass and featuring a cast of 260 persons.

Throughout the outstanding portrayal of the historical characters of the early days of the mission by the cast of local residents, the members of the audience were able to relive the historical days.

John Sandoval did a remarkable job of writing the script that presented a brief, authentic and complete history of the mission from its founding in 1797 to the celebration of the centennial in 1897.

Everett Glass, renowned for producing and directing historical pageants, added another achievement to his long line of successful productions with the remarkable and long-to-be-remembered pageant, "Build We Here a Mission."

Tom Cunha, in charge of set construction, is to be congratulated on the cleverly constructed replica of the old mission.

Mr. and Mrs. Dwight Thornburg, musical directors, were responsible for the fine music by the band and glee club which

Legal Barriers Cleared For Erection of Hospital Here

It has now become legally possible for Washington Township to have its own public hospital—if its voters wish.

Governor Earl Warren last Thursday affixed his signature to Assembly Bill 64, amending the state Hospital District Law so that a hospital district may be formed in Alameda County, which hitherto has been impossible due to a population stipulation in the law.

Assembly Bill 64 was given the active support of Assemblyman Francis Dunn Jr. and Senator Arthur Breed Jr. They had agreed last July at a meeting of the Washington Township Planning Committee that building and operation of a public hospital here should be possible if the majority of the voters wished, and that the hospital district law therefore should be amended.

When the amendment becomes law, which will be 90 days after adjournment of the present session of the state legislature, it will be possible for local voters to establish a district, vote bonds, construct, and operate a public hospital.

Urgency of the need for a hospital in Washington Township was critically indicated a year ago. Local doctors had found the lack of a nearby hospital a severe handicap to adequately serve the community's health needs. They appealed to the Washington Township Planning Committee to investigate means of improving the situation.

Chairman L. R. Batman and Secretary Edward E. Enos of the Planning Committee solicited the help of Assemblyman Dunn and Senator Breed. Introduction and passage of Assembly Bill 64 has been the culmination of arduous effort by these men, by members of the local Planning Committee, and by local doctors.

Secretary Enos stated this week that a meeting of the Planning Committee will be called in the near future to make further plans toward achieving a local hospital.

COUNTRY CLUB TO RECEIVE HIGH NATIONAL AWARD

Perhaps in no other time during its 51 years of existence has the Country Club of Washington Township received such an honor as is about to be bestowed upon it.

In New York City, at the national convention of Federated Women's Clubs, to be held at the Commodore Hotel this month, Mrs. E. H. Hirsch, representing the Country Club, will accept a national award for the outstanding war work report submitted by the Country Club.

The war work report, compiled almost entirely by Mrs. Roland Bendel, took first honors in the county, then the state, and now, finally the whole nation.

The report, containing a record of all the hours the club members put in during the war on agricultural activities, including canning, and all other war services, was compiled during the two years that Mrs. Hirsch was president of the club. It was thought fitting, therefore, inasmuch as Mrs. Hirsch had planned to be in New York at that time anway, that she should accept the award.

Mrs. Bendel worked arduously on the record book, and has done an outstanding job.

JUNIOR CHAMBER TO SAN JOSE

The annual dinner given by the Wieland Brewery of San Jose for the Niles Junior Chamber of Commerce will be held Tuesday evening beginning at 7 p.m.

Vernon Ellsworth, chamber secretary, has asked that all members planning to attend make their reservation with him by Monday noon.

CALL DIRECTORS' MEETING

A special meeting of directors and members of the finance committee of the Mission San Jose Sesquicentennial celebration has been called for Monday at 8 p.m. at the sesqui headquarters. At this time bills will be approved and the final reports submitted.

STADIUM LIGHTING CAMPAIGN IS HALF COMPLETED

The fact that the current campaign to raise $14,000 for the lighting of the high school football stadium was bogging down at the half-way mark was revealed this week by committee members.

Slightly more than $7,000 has been raised thus far through the sale of non-interest bearing scrip.

Salesmen and committee members have reported that with but few exceptions the sales have been in $10 denominations. They were quick to point out that the $10 purchases are greatly appreciated but it is doubted that the large sum of money needed can be raised here unless some larger sales are made.

It has been estimated that the purchase and installation of the lights will take approximately six weeks, and as the committee has agreed to wait until the entire $14,000 is raised before the work is commenced, they are now faced with a time element in getting the drive completed and the field ready for the fall gridiron schedule which opens in September.

A special meeting of the stadium executive committee has been called for Monday at 8 p.m. in the visual education room of the high school. All salesmen and committee members are urged to be present at this meeting to report on sales and offer suggestions for the renewal of the second half of the drive.

U.P.P.E.C. HOLDS PICNIC AT ALUM ROCK PARK

Twenty members of the U.P.P.E.C. Council No. 5 Pal Club attended the picnic Wednesday at Alum Rock Park.

The crowd had a wonderful time picnicking, playing bingo, and hiking. They returned home at five o'clock.

Mrs. Mary Furtado had charge of arrangements.

NEWARK CONCERN CHANGES NAME

Melvin Vargas and Jesse Johnson, owners of the Newark Electrical Appliance Company, have announced that they have changed the name of the concern to Township Refrigeration.

The company will continue sales, repairs and service on household and commercial appliances, and will remain in its same location opposite the Newark fire station on Thornton avenue.

DECOTO WINS PRIZES

Decoto proved herself at last Saturday's Sesqui parade by winning two prizes. Second prize was for their beautiful float and the awarded to the Progressive Club Decoto Girls won second prize for their marching.

The idea for the float was conceived by Manuel Hidalgo and Raymond Corchero, and they were assisted by Mrs. Hidalgo, Mr. and Mrs. Al Rodrigues, Mr. and Mrs. Ralph Lopes, Lucio Guttierrez, Gloria Arribas, Mary Saturnina, Frank, Alvin and Tony Paniagua, Mr. and Mrs. Joe Arribas, John Garcia and Antonia Boliba.

The following girls who won second prize for their marching also carried letters spelling "Decoto": Mary Abel, Ida Monte, Eva Corchero, Delores Mognaya, Isabel Ariza and Gertrude Guerra.

The Decoto Chamber of Commerce float was different from any other, inasmuch that it advertised our community, pointing out our advantages and possibilities. Products displayed on the float were donated by the Pacific States Steel Corporation, Marlo Packing Co., New Colma Lumber Mill, C. F. Salz Co., Alameda Vegetable Gardens, M. and S. Tile Co., and local farmers who supplied the wheat and corn.

The working committee consisted of the following: Jack Faletti, chairman; Mr. and Mrs. Joe Calderia, Mr. and Mrs. A. L. Costa, Mary Janeiro, Mae Watkins, Ethel Avilla, Pat White, B. Cantu, Harry Brazil and Manuel Seoane.

Receiving honorable mention was the carriage carrying the children of the late Ezra Decoto: Superior Judge Ezra Decoto, Mrs. Crosby and Mrs. May. They were driven by Cyrus Calderia.

The Chamber of Commerce official car, driven by Miss Hendricks, carried Jack Faletti, president; Howard Bradbury and Peter Decoto.

An old time surrey, drawn by a donkey and driven by Manuel Muniz, carried Rosemary Faletti and Tony Vierra. All the horsemen were under the leadership of Elloyde Cambra.

LEATHER CLASS ENDS

The leather craft class that has been conducted every Thursday evening in the library under the leadership of Lester Graves, ended with last week's lesson. Mr. Graves hopes to conduct a similar class next term and may include ceramics, block printing, etc., if enough are interested.

FRED COSTA AT "ALABAM"

Fred Costa is a coming musician. His latest big engagement was at the Alabam, Friday, May 30, when he played with Lenny Rapose's band. This is Fred's first appearance with a professional orchestra.

ATTEND CONVENTION

Attending the California Postmaster's state convention recently were: Miss Mary Janeiro of Decoto, Mr. and Mrs. Elmer Harris of Newark, Mr. and Mrs. Mooney and son of San Lorenzo, Mr. Harry Detrich of Pleasanton, and Mr. and Mrs. Edward Enos of Niles.

SCOUTS ENJOY OUTING

Last Saturday morning at 7 a.m. the Boy Scouts left Decoto in Ed Rose's truck, driven by Scoutmaster Pat Luna, which took them to within two miles of the Hidden Valley Dude Ranch where they spent the week-end. The boys put on their packs, both large and small, and walked the two miles into the ranch where they made their camp. They were treated to a steaming pot of beans Saturday night, cooked by Mrs. Luna. They enjoyed a week-end of swimming and baseball. After church services were over Sunday morning a game was played by Decoto Troop vs. Niles Troop with Decoto winning 11-9. Transportation home was furnished by Lewis Musick, Alwin Searles and Kenneth Garcia.

SCOUTERS MEET

A Scout meeting with all committeemen attending was held last Monday night. It was decided that tents will be purchased for the boys. All necessary arrangements are being made for the Camporee at Los Mochos in the Livermore hills, to be held June 7 and 8.

RECUPERATING

Mrs. Al Faletti, who had a minor operation performed on her nose, is home again and doing fine.

MOUNTAIN TRIP

Jack Soares and Al Faletti went to the mountains over Wednesday night, taking electrical equipment and supplies for the Faletti cabin.

JOE CUNHA IMPROVED

Joe Cunha is home again after spending a week in the Alameda Hospital and going through an operation. He feels fine and is up most of the day.

TOWNSHIP SCOUTS PREPARE FOR ANNUAL CAMPOREE

Scouts from throughout Washington Township will participate in the Southern District Camporee Saturday and Sunday, June 7-8, at Wilderness Campsite, Los Mochos.

The Camporee will be under the general supervision of the acting chairman of camping activities, Fred Duffie of Niles. It will feature demonstrations of scout camping skills and good scout fellowship and give scouts and leaders the opportunities to learn more about camping from each other.

PATROLS TO COMPETE

All participating scouts will pack their equipment over a mountain trail and then set up, camp at Sweetwater Springs on Mocho Creek. The committee on Camporee arrangements has set up the minimum standards for patrol participation in the Camporee. Scouts will judge for themselves whether or not they have reached these standards in camp skills, packing, hiking, cooking, events, and scout-like conduct. A pennant will be awarded to each patrol achieving these standards.

A district-wide court of honor for scouts advancing in rank will be conducted at the campfire Saturday evening. Awards will be made by fully costumed Indians in a campfire ceremony.

RELIGIOUS SERVICES

Scoutcraft field events will be conducted during the day Saturday and all patrols will compete for honors in tracking, judging, first aid, tent pitching, flapjack flipping, pioneering, fire building, etc.

Religious services will be a feature of the Sunday morning program. These will include a catholic mass and a protestant service conducted by a local pastor.

Pennants and awards will be given out at closing ceremonies Sunday afternoon at which time each scout will receive an emblem indicating his participation in the camporee.

PRELIMINARY CAMPS

All troops here have held preliminary camps in preparation for the camporee. Some troops are planning to arrive on Friday evening in order to be better prepared to carry on their camp program. Members of the camporee committee include: Phil Sousa, Joseph Koenig, Howard Burr, Lester Kent, Archie Lobrovich, Leo Callaghan, Herman Wood and Don MacDougal.

JOHN FREITAS REPORTED IMPROVING AT HOSPITAL

The condition of John Freitas of Newark, who is confined at San Jose Hospital, was reported to be somewhat improved this week although it was thought possible that another operation might be necessary.

Freitas was seriously injured May 26 while at work in the Sunset Foundry when a piece of wood he was running through a power saw was hurled against his abdomen. He was rushed to the San Jose Hospital where an emergency internal operation was performed.

LEGION NINE BOWS TO BERKELEY HERE

The Washington Township Junior Legion baseball team suffered its second defeat in as many starts last Sunday when they bowed to the Berkeley nine by a score of 5 ot 4.

Coach Hird's lads encountered little difficulty in smacking the ball at the plate but were unable to place their bingles in the vacant spots and were held to a single hit by Pitcher Campbell who whiffed eight batters.

Alameda allowed eight hits and fanned four Berkeley batters.

Saturday the Junior Legion boys will be hosts to the Oakland aggregation. Sunday they will meet the Bill Erwin, Oakland Post team on the home diamond. Both games are scheduled for 2 p.m.

TRUCKEE RIVER FISHING

Truckee River, in Placer and Nevada counties area, is in good condition for trout anglers. Low and clear between Lake Tahoe and Truckee, the river should offer anglers fair fly fishing. High and clear between Truckee and the state line, it should offer anglers both fair bait fishing and fair fly fishing.

BARRACUDA, WHITE SEA BASS

Fair catches of barracuda and white sea bass have been checked in by most fishermen fishing in the waters off Orange county. Salt water sport fishermen have been having particularly good luck in the Huntington Beach area.

FLY FISHING GOOD

Fish in the streams of Plumas county are taking flies very well for the first time this season. Anglers using flies have made some fine catches during the past week. Lake fishing in this region is generally improved.

TULARE COUNTY STREAMS

Streams in Tulare county, with exception of the high and muddy East Fork of Keweah River, are in excellent condition for anglers. The North Fork of Kaweah River is very low and fish there should be taken on flies.

MISSION SAN JOSE

The members of the Mission San Jose Elementary School eighth grade class will present two one-act plays to the public in the school auditorium, June 10, at 8 p.m. The two plays are entitled, "Wild Cat Willie's Lucky Number" and 'Billy's First Date." Music will be furnished by the combined school glee club.

The evening of June 12 the graduation exercises will be held in the school auditorium with Rev. Joseph Renault delivering the address. Principal E. B. Hodges listed the graduating class as follows: James Semas, Charles Schneider, Manuel Costa, Lester Semas, Robert Lofton, Amos Martinez, Mary McIvor, Jean Neeley, Iras Lofton and Elaine Borge.

CENTERVILLE

Twenty-nine students will be graduated from the Centerville Elementary School Friday, June 13, at 8 p.m., at special graduation exercises to be held in the school auditorium.

Tom Maloney, school principal, revealed this week that the following named students will be graduated: Arlene Charles Abbott, Merle Albert Bechtold, Doris Elizabeth Bettencourt, Jack R. Bribes, Leroy A. Broun, Jerry D. Browning, Ronald Cardoza, Norman Joseph Coit, Vernon L. Correia, Ramond A. Fierro, Joanne Rae Harlan, Barron Gregory Holland, James Albert Leonard, Tsuneko Eleanor Motozaki, Joe Frank Moura, Tom Nieto, Dolores Delarose Ortega, Jovita Marie Ortega, Anna Mae Marie Peixotto, Virginia Rose Pocchi, Milton Joseph Rose, Satoshi Sekigahama, Arnold David Silva, Joseph Allen Silva, George Raymond Silveira, Virjean Patricia Silveira, Daphne June

ROTARY CLUB PLANS LADIES' NIGHT

Members of the Niles Rotary Club have announced plans for a Ladies' Night to be held June 28 at the International Kitchen.

Dr. T. C. Wilson, chairman of arrangements, has announced that in addition to the dinner there will be a special program of entertainment followed by dancing.

SESQUI BRIEFS

Rain — rain — rain — Will it or won't it? That was the big question on Friday prior to the Coronation Ball—the weather man was cooperative. He sent down only enough moisture to allay the dust. . . . Oh, to be a queen! What a beautiful costume!—Her attendants were in equally beautiful gowns—smile, girls! You who were wearing a smile were twice as attractive. . . . Great idea, dancing out under the stars—old man moon added to the gala affair by showing himself between clouds—Wonder if Edw. Rose feels lonesome without his queens? It'll seem strange to see him now without his bevy of beauties.—But the Apricot Festival is coming next year, Ed!

....One mother who exclaimed "Oh, they're going to crown the queen now!" explaining to one of her small fry who became alarmed, that the term "crown" did not apply in the sense that the younger generation usually uses it!—

Beautiful gifts the girls received, weren't they? But don't they deserve them? After all, they sold $7,000 worth of tickets which practically assures the success of the Sesqui. . . . Wihch reminds us, it was NOT the Sexy-centennial as one radio announcer so naively put it! . . . Which also reminds us that some day we must print the whole and unexpurgated story of the two sharp promoters who came down from the big city to run this show for us local yokels. Look, boys, who—or do they say 'whom" in the city?—did you think you were fooling? Did somebody write a popular tune once called "we can get along without you very well"?

Let's go down to the concessions and take a flyer on the "bingo" game. Only a dime? Sure. we'll lose. But it's fun, isn't it? . . . Did you EVER see anything as interesting as the "Man-made Utopia"? There are only three or four in the whole United States, and to think we had one right in Mission San Jose! The owners, incidentally, live in Hayward. This was the first time they had put it on exhibition since they became owners.

Now for the parade. And what a parade! Any community in the whole nation could well be proud of it. A special bouquet to Decoto—the little town that really showed them how!—How could the judges ever decide on the winning floats? They were all THAT good. — Frankly, this was the most INTERESTING parade we ever saw! Was it because we knew the people, or was it really that good?—We understand that Walter Connolly was the spark-plug behind it, assisted by his able henchmen We'll be glad to recommend Walter to any town anywhere as a parade-entrepreneur de luxe!

Was everybody happy over the Pageant? We've heard a few criticisms—too long, too dull in spots. But what did these people expect—a Broadway production? It was a tremendous undertaking for amateurs. They did a splendid job. The whole history of the Mission and of the township unfolded before our eyes as it never could do in books. The padres and their work with the Indians came to life—If you had known the trials of putting on a pageant—(ask Mrs. Mayock or Mr. Glass)—you would be quick to express appreciation of the show. Where, for instance, could you have seen anything on any stage more colorful than the wedding scene?

How many who attended the Sunday morning mass—and there must have been thousands!—realized that they were participating in a history-making event? It gives you a queer feeling to know that you are part of history.—Fifty years from now when they are celebrating the bi-centennial there will doubtless be a Pageant in which one of the scenes shows Archbishop Mitty addressing a large audience—Wish we could be there to see it!

Thanks to Mr. and Mrs. Tim O'Neill of the Irvington Promenaders, an impressive number of bay area folk-dancers arrived at the pageant grounds for the Sunday afternoon folk-dancing. Folk-dancing, we would say, after observing the Sunday performance, is a form of recreation taken up by those people—mostly middle-aged—to whom modern dancing, even jitter-bugging, is too tame!—All right, you jitter-bugs, try a fast polka, and you'll see what we mean!

And so the Sesquicentennial is over. . . . All the worries, the headaches, are in the past, and we remember only the beauty, the spectacular events, the solemnity of the Mass, the pageantry, the color—and the bills that have to be paid!

NILES GIRL SCOUTS WIN CHAMBER PRIZE

It was a lot of work, but it was worth it. This is the opinion of the Niles Girl Scouts who were awarded the $50 prize donated by the Niles Chamber of Commerce to the best entry from Niles in the Sesquicentennial parade.

The Girl Scouts worked arduously and tirelessly to make their float an outstanding one, under the direction of Mrs. Henry Vervais and Mrs. A. W. Gorman. Others who assisted were Joe Enos, George Murphy, Bob Moore, Al Gorman, Henry Vervais and A. J. Petsche.

MISSION SAN JOSE NEWS

By LOIS BOTTENBERG

PURCHASE PROPERTY

The land owned by Herbert Way and Fred Cox of Hayward near the grammar school is really moving fast. Manuel Baptist, who is a real estate man under the official name of Mission Heights, has purchased the four corner lots opposite the school on Cedar Street and Lois and Glenn Bottenberg the four next to him.

Mr. Baptist is going to begin in a few weeks to build his real estate offices and home there and the post office building will be put alongside it for the next business building. The highway frontage will be for business houses and the rest residential. Thus making a nice little settlement and new business section to the quiet little town of Mission San Jose.

Many lots in the two back streets have been purchased and new buildings will be going up as fast as material is available. This land was formerly owned by Mrs. Sara (Grandma) Boggini, and her grandson, Albert Silva, is the agent.

FINANCE OF SESQUI

A full and complete resume of expenses and profits if any will be published in the local papers in the near future concerning the Sesquicentennial, for it is the business of the township to know just how their money was spent and just how much there will be left to begin our Youth Center. So watch your papers for later accounts.

SPRUCING UP

The old Mission San Jose De Guadalupe did a booming business over the holiday and folks from many states visited it.

The lovely plaque given by the Native Sons will soon be put in place when it is decided where it will hang. The whole building had been gone over with a fine-tooth comb and caretaker Teddy Pereira and others laundered the altar cloths and had the place looking neat at a pin. Mrs. McWhirter and Mrs. Powers of Centerville did some lovely flower arrangements in the different rooms. The old switchboad from the telephone office has been removed to th Mission and in the next centennial it too will be a rare old relic.

BOUQUETS

The Mission San Jose Sesquicentennial Committee and all board members and committee men wish to extend their most humble thanks to all our good friends and neighbors for helping to put on such a wonderful three-day celebration.

Everyone will be thanked by personal letters later but here and now we wish to thank the auxiliary police, who guarded the lives and safety of such a huge number of people. There was not a traffic accident nor a casualty of any kind in the three days. The auxiliary police directed traffic and did a wonderful job, for it was estimated that the line of traffic was at least six miles long for many hours. That was quite a record for so large a number of people when elsewhere in the state hundreds were injured and killed. So, hats off to those volunteers who asked no compensation but to eat the luscious barbecue served at the fiesta grounds.

VISITORS

Mr. and Mrs. Fred Kohlmoos and daughter of San Francisco spent several days here at the home of Mr. and Mrs. Manuel Andrade and Laura Azevada.

WEEK-END GUEST

Ed Scown was a week-end guest at the home of Mrs. Grace Meyers and family. Mrs. Maude Dutra, Mrs. Meyers' mother, could not attend any of the festivities due to being very ill at the home of daughter Dorothy Mendonca. She is still in grave danger.

IN HOSPITAL

Mrs. Joseph Azevada was taken to San Jose Hospital one day last week to undergo a major operation. She is resting easy and will be home before long.

SESQUI VISITORS

Mrs. Lucille DeBritto and family, former Mission residents, now of San Leandro, Mrs. Gertrude Souza, who formerly ran a restaurant here, and a friend of San Jose, Mr. and Mrs. Tom Santos and children of Burlingame, Mr. adn Mrs. Jim Rice and daughter, Kathy, or Seattle, Washington, Mr. and Mrs. Jimmy Brown and son, Jimmie, Jr., of Hayward, and many more former residents spent the three days here with relatives to enjoy the celebration.

TRIP TO NEW YORK

Rudolph Weibel of the Weibel Champagne Winery had to make a hurry up business trip to New York, leaving on Thursday evening before the fiesta. He was indeed disappointed for he had made big plans to be present to see Queen Rose Mary crowned for he had been one of her ardent supporters.

"OLDEST LADY"

Roscoe Whiteside arrived in the Mission on Thursday from San Francisco to join his wife, sister of Miss Abbie Sunderer. Miss Abbie had been confined to her bed for a number of days with a serious cold but was able to be up and around for participation in the big parade. She is the oldest active lady in the Mission and has been here since she was three years old. She wore a lovely gay nineties costume with cunning poke bonnet to match. Due to her recent illness all plans for her to ride in the old family "Surrey with a Fringe on Top" was abandoned and she rode modernly in a car. Her sister and family from San Jose, Mr. and Mrs. Walter McGinnley, also spent Saturday here at the family home.

TO MR. WAUHAB

All the folks of the Mission and surrounding towns were indeed thrilled to see the elder Mr. Tom Wauhab astride his horse in the parade and greeting his friends with his always sunny smile. Thanks for coming sir.

WEEK-END VISITORS

Mr. and Mrs. Joseph Rose and family of Vallejo were week-end visitors here at the home of her mother, Mrs. Edward Callahan and brother, Leslie. Melvin Callahan, another son, also was here from Los Angeles. His wife, Elaine, was unable to come due to illness.

OUT-OF-TOWN VISITORS

Mrs. Betty Mulcahay and chilfriend of San Francisco, Miss Claire Witherly of San Jose, Mr. and Mrs. Ned Witherly and Dexter Witherly of Russian River attended the three-day sesquicentennial celebration here in the Mission. All were born and raised in the town. Dexter flew down in his private plane.

CANADIAN HERE

Louis Marie Libel, O.P. of Canada, spent a few days visiting here with Reverend George Bourque of te Dominican Convent.

FROM TEXAS

Mrs. Betty Mulchay and children, Margaret and Billy, of Dallas, Texas, arrived at the Mission Hereford Ranch to spend their summer vacation with her mother, Mrs. Margaret Bunting. They came earlier than at first planned so they could be here to celebrate the sesqui with us.

QUEEN'S BEE HIVE

Queen Rose Mary Telles' home was a bee hive of activities over the week-end with relatives and friends and neighbors coming and going, offering their congratulations. Among those who spent the holiday there was Aunt Lou Kahn who backed her niece and will accompany Rose Mary to Hollywood and cousin Tony Machado, both of Modesto.

COOL AGAIN

Mr. and Mrs. Arthur Steele and son, Dougie, returned to their home in Cool, California, following a two weeks' vacation for Dougie and his mother, the former Mildred Santos.

TWENTY YEARS AGO...

(From the 1927 Files of The Township Register)

The senior class of Washington High School presented a three-act play entitled, "Help Yourself." The cast included Ernest Pimentel, Wilbur Bettencourt, Michael Overacker, Addison Richmond, Eddie George, Inez Brown, Margaret Lowery, and Billie Langdon. H. M. Kibby directed.

Many people here were able to tune in their radios and hear President Coolidge welcome Charles "Lindy" Lindberg back to this country after his trans-oceanic flight.

Miss Madelyn Azevedo was chosen Holy Ghost queen at Mission.

blended into the production so perfectly.

Despite threatening rain Saturday and Sunday, the three performances of the pageant played to a near capacity audience.

CORONATION BALL

Friday evening at the Grand Ball, Miss Rose Mary Telles of Mission San Jose was officially crowned Queen of the Sesquicentennial by Supervisor Chester Stanley. Joe Blacow, Irvington, who acted as master of ceremonies, introduced Edw. L. Rose, chairman of the contest, and eight attendants to the queen: Dorothy Alberts, Irvington; Diane Ferraris, Centerville; Jackie Lewis, Niles; Audrey Aguiar, Warm Springs; Virginia Lawrence, Mission San Jose; Cherrie Davis, Alvarado; Mary Corchero, Decoto; Mary Goularte, Newark.

An estimated 20,000 persons jammed the streets of the mission Saturday morning to view the 2-mile long parade. Every community in the bay area was represented in the spectacle, each of the eight communities of Washington Township having many entries in the float contest.

WINNERS NAMED

Judges E. A. Quaresma of Niles, Allen G. Norris of Centerville, Jacob Harder of Hayward, Clark Manley of Livermore, and Charles Gale of Pleasanton, selected the following winners:

Best Decorated Float—Irvington Promenaders, first; Decoto Progressive Club, second.

Best Historical Float— Mission San Jose Fire Department, first; Knights of Columbus, second; Alvarado Chamber of Commerce, third.

Marching Units—American Legion, first; Spanish Ladies of Decoto, second.

Drum Corps—Blue Devils, Hayward, first; Druids, Livermore, second.

Horses Posses — Santa Clara Horsemen's Association, first, Alameda County Sheriff's Posse, second.

Single Riders— Joaquin Perry, first; Mayfair Rider, second.

Walter Connolly headed the parade committee and is to be congratulated on the splendid entertainment provided by the variety of floats, marching units, mounted units, comedy entries and color bearers.

At 2 p.m. Saturday and Sunday the scene shifted to nearby Hidden Valley Dude Ranch where Fred Goossen staged a real western rodeo for the benefit of spectators. Goossen brought in top-notch performers of the west coast to headline the attraction and compete for the rich prize money.

OUTDOOR MASS

Sunday at 11 a.m., an estimated 3,000 persons gathered at the pageant amphitheater to attend an outdoor mass presided over by Archbishop John J. Mitty, archbishop of the San Francisco diocese.

The solemn high mass was celebrated by Very Reverend Gregory Wooler, Fruitvale, Provincial of the Franciscan Fathers. Assistant priest was Very Rev. Francis Rock, president of St. Joseph's Preparatory Seminary, Mountain View. Deacon was Rev. Thomas O'Kane of Holy Ghost Church, Centerville; sub-deacon, Rev. Walter Fleming of St. Patrick's Seminary, Menlo Park. Assistant deacons to the Archbishop were Rev. John Leal, Mission San Jose; Rev. Raymond Copeland, Santa Clara, and Rev. Leo Maher, San Francisco.

Rev. Joseph Renault was master of ceremonies and Rev. James O'Donnell of Livermore was metropolitan cross bearer.

Chant of the mass was rendered by the Junior Seminary Choir of 170 voices from St. Joseph's Preparatory Seminary, under the direction of Father Foster.

The sermon was delivered by Rev. Augustine Hobrecht, vice-provincial of Franciscan Fathers.

PAPAL BLESSING

At the conclusion of the mass, Archbishop Mitty read a special message of congratulations from Pope Pius XII. The message, commending the celebration of the spiritual achievements of 150 years, was conveyed in a letter from Archbishop A. G. Cicognani, Apostolic Delegate to the United States.

Archbishop Mitty added his own blessing with the hope that . . . "this Mission may continue with beneficial work for years to come and may God continue to bless it, bless our state and bless our nation."

Sunday afternoon the spectators were entertained by exhibitions of folk dancing by groups from many of the east bay communities.

MODESTO MAN WINS

At the conclusion of the pageant Sunday evening the drawing for the new Ford automobile given by the Irvington Improvement Club was held and G. E. Cusack, Modesto, was named the lucky winner. He was not present and when he came to pick up the new machine Tuesday morning revealed to the officers of the organization here that he did not have any other machine. Bud Bishop, also of Modesto, was awarded the $100 cash prize for selling the winning ticket.

Bauhofers Fly To Switzerland

Mr. and Mrs. Joseph Bauhofer of Centerville departed Wednesday evening, May 25, from Mills Field, San Francisco, for a vacation in Switzerland.

Their two sons, Bill and Joe, who are operating the Cloverdale Creamery in Centerville during their father's absence, received a cablegram June 2 that they had arrived safely at the home of Mr. Bauhofer's brother, Anton, at Schattdorf, Switzerland. The cablegram related that the plane had been delayed in New York because of weather but the couple, making their first airplane trip, are now aviation enthusiasts and were greatly thrilled over the long aerial flight.

Mr. Bauhofer has two sisters and a brother in Switzerland and this is his first visit there in some 40 years. Mrs. Bauhofer has distant relatives residing there.

The prominent couple plan to return to Centerville in October.

Mary Bertha Sa To Be Married Sunday

Mr. and Mrs. Arthur Sa of Centerville are announcing the marriage of their daughter, Mary Bertha, to Mr. Edward Freitas, on Sunday, June 8, at the Holy Ghost Church in Centerville at two o'clock.

A large reception, following the ceremony, will be held at the Country Club in Centerville.

Arkansas Visitors

Visitors at the home of Mr. and Mrs. Grady Denton of Niles are Mrs. Ted Blanchard and daughter, Dorothy, of Arkansas. Mrs. Denton and Mrs. Blanchard are sisters. The two plan to remain here for a month.

Leave for St. Louis

Mr. and Mrs. Harry Houston of Newark will leave Wednesday for St. Louis, Missouri, where they will spend a two weeks' vacation visiting at the home of his mother, Mrs. Leroy Houston. They will be accompanied by Mr. and Mrs. William E. Dutra, also Newark.

It will be the first time since the outbreak of World War II that all of the Houston family have been together. Harry and his five brothers were all in the armed forces during the war.

Here for Vacation

Robert Rose, a student at Sacramento Junior College, spent the three-day holiday with his mother, Mrs. Bertha Rose, in Irvington. He had as his guest, Ray Gallagher, a schoolmate.

Newark School Staff Holds Annual Dinner

The annual trustee-faculty dinner of Newark Elementary School was held at the International Kitchen Wednesday evening with Mr. and Mrs. William Cowan and Mr. and Mrs. Colonel Adams of the county superintendent's office, as special guests.

LOCAL SOCIETY ELECTS OFFICERS

By CAMPBELL PARKER

The Thanatopsis Literary and Road Building Society held a lovely annual meeting and election of officers at "The Hole in the Ground" camp grounds in Lassen National Forest, during the past week-end holiday.

Due to the inclement weather, the society spent considerable time building a new road in order to get home and they also thoroughly reviewed and discussed a book by the late Mr. Hoyle. The discussion was held under canvas with occasional forays into the storm to check the ice-box.

Frank McGowan give a very learned discussion on the subject, "Never bet into a one-card draw." He is very qualified to talk on this subject, having been burnt many times.

Joe Gomes was unable to attend because of big deals so he delegated his duties as "Chief Road Builder" to his understudy, Bill "Junior" Estudillo, who did a very creditable job of rebuilding that beautiful highway. It will no longer be necessary for the forest rangers to go in on skis and remove the bleached bones of poor deluded souls such as our heroes.

Dr. Tom Wilson gave a learned discussion on the cure and prevention of pneumonia, while Ray Jolliff, John "Boom" Turner and Frank DeSalles tested the prescription. The last reports show that an epidemic was prevented and they will be immune for the remainder of the fishing season.

GRAND PRESIDENT OF U.P.E.C. TO VISIT

Preparations were completed this week for the annual official visit of Frank Mendonca, Turlock, grand president of the U.P.E.C.

M. J. Bernardo and W. J. Furtado, committee on arrangements, have announced that Council No. 5, U.P.E.C., Centerville, will sponsor a free dance in honor of the occasion on Saturday, June 7, beginning at 8:30 p.m. in Parish Hall, Centerville.

President Mendonca will pay his official visit here at a meeting slated for 1:30 p.m. Sunday at Parish Hall.

HOME ARTS GROUP TO STAGE A FALL FAIR

Plans for a fall fair and bazaar will be discussed at the regular meeting of the Home Arts Group of the Country Club next Tuesday evening.

The fair, an innovation for the group, is to be held in November at the Country Club house and is expected to arouse considerable interest. Mrs. Warren Gravestock has been named chairman.

Mrs. Loren Marriott and Mrs. Ralph Goodwin will be co-hostesses at the Tuesday evening meeting.

IRVINGTON P.T.A. ENDS CURRENT YEAR

The final meeting of the Irvington Parent-Teacher Association for the current school year was held at the school last night in the form of a potluck supper.

Mrs. Roy Clark and Mrs. Manuel Guardanapo, outgoing and incoming hospitality chairmen, were in charge of the arrangements. The evening was spent in a community sing.

COUNTRY CLUB ENDS YEAR'S ACTIVITIES

The last meeting of the Country Club of Washington Township for the current year was in the form of a reception to new members, held at the club house last Tuesday afternoon. There were 26 new members taken into the club the past year, most of whom were present at the reception.

Mrs. Myrick emceed the interesting quiz program that served to introduce the new members to the group as a whole. The rest of the program was comprised of musical selections by two girls from San Jose High School, who gave violin and piano solos.

Three new members were voted into the club. Mmes. Robert Whipple, John Stevenson, and C. Picotti.

The next meeting will be a reciprocity luncheon to be held at the International Kitchen on September 16.

CHRISTIAN SCIENCE SERVICES

"God the Only Cause and Creator." This is the subject of the Christian Science Lesson-Sermon for Sunday, June 8. The Golden Text is from Hebrews: "Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear" (11:3).

Included in the sermon are these citations:

Romans: "For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and God-head" (1:20).

NOTICE

Souza's Store, Machado Corners, Centerville-Alvarado Road, will close June 15 until further notice due to a necessary operation at San Jose Hospital.—Advertisement.

GRADUATION

ALVARADO

The eighth grade students of Alvarado Elementary School will combine their entertainment and graduation exercises into one program to be presented Wednesday, June 11, in the school auditorium at 8 p.m.

The program will include: Orchestra selections, "Merry Widow Waltz," "Campus Glory," and "Honor Salute"; Piano solo, Elizabeth Flores; vocal solo, Setina Rigmaiden; tap dance, Janet Perry; eighth grade play, 'Silver Secret"; trumpet solo, Arnold Gardetto.

Principal Leslie Maffey has announced that E. Dixon Bristow, principal of the Niles Elementary School, will deliver the commencement address.

The graduating class includes: Arlen Amaral, Elmer Andrade, Ardith Andrew, Andrew Armendariz, Josephine Aranda, Rogelio Barrera, Rosa Barrera, Betty Cheng, Gilbert Cicairos, Cruz Cinereros, Albert Corrales, Marie Jardin, Doris Jones, Nettie Lemas. NEW ORGANIZATION AT NILES CHURCH

Lorin Mohn Jr. was named president of the newly organized Young People's Fellowship of the Niles Congregational Church at an election held last Sunday evening.

Other officers elected were: Pat Owen, secretary-treasurer; Pat Mohn, social chairman; Beverly Bennett, publicity chairman; and Fred Duffie Jr., recreational chairman.

Immediately following the business meeting the group adjourned to the manse where Rev. Don Kirkbride served refreshments and led community singing.

Installation of new officers will be held this Sunday at 7 p.m. in the Ladies' Guild Room and a potluck supper will be given in honor of the occasion. All the young people of the community are invited to attend.

Train mail boxes are located at most railroad stations.

SUMMONS

Manuel M. SANTOS and ADELINE R. SANTOS, his wife,

Plaintiffs,

vs.

H. H. TRAUB, GLADYS F. WHITNEY, MATILDA A. LAURIDSEN, CHARLES W. McLAUGHLIN, LAURA A. EBER, and also all other persons unknown, claiming any right, title, estate, lien or interest in the real property described in the complaint, adverse to Plaintiffs' ownership or any cloud upon Plaintiffs' title thereto,

Defendants.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

H. H. TRAUB, GLADYS F. WHITNEY, MATILDA A. LAURIDSEN, CHARLES W. McLAUGHLIN, LAURA A. EBER, and also all other persons unknown, claiming any right, title, estate, lien or interest in the real property described in the complaint, adverse to Plaintiffs' ownership or any cloud upon Plaintiffs' title thereto, Defendants;

You are hereby directed to appear and answer the complaint filed in the County of Alameda, in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of Alameda, within ten days after the service on you of this summons — if served within said County, or within thirty days if served elsewhere.

The object of said action is to obtain a judgment and decree of said Court adjudging and declaring that neither said defendants nor any of them have any right, title, estate, lien or interest in, to or upon the real property in said complaint and hereinafter described, or any part or portion thereof, adverse to plaintiff's ownership, or any cloud upon plaintiffs' title thereto and that the title of said plaintiffs' in and to said real property and every part and portion thereof is good and valid and that said plaintiffs are entitled to have said title quieted against said defendants, and each of them, and that said defendants, and each of them, be forever enjoined and debarred from asserting any claim whatever in, to or upon said property, or any part or portion thereof, adverse to said plaintiffs.

That said real property consists of all that certain real property in the Township of Washington, County of Alameda, State of California, described as follows:

PARCEL 1: LOTS 27 and 28 in Block 23, lying Northeasterly of tracks of Southern Pacific Company, as said lots and block are shown on the "Map of the Town of Newark, Alameda County, Cal.", filed May 6, 1878 in Book 17 of Maps, at page 10, in the office of the County Recorder of Alameda County.

PARCEL 2: LOTS 7 and 10 in Block 174, as said lots and block are shown on the "Map of the Town of Newark, Alameda County, Cal.", filed May 6, 1878 in Book 17 of Maps, at page 10, in the office of the County Recorder of Alameda County.

PARCEL 3: LOT 10 in Block 239, as said lot and block are shown on the "Map of the Town of Newark, Alameda County, Cal.", filed May 6, 1878 in Book 17 of Maps, at page 10, in the office of the County Recorder of Alameda County.

You are hereby notified that unless you appear and answer as above required, the said plaintiffs will take judgment for any money or damages demanded in the complaint as arising upon contract or will apply to the Court for any other relief demanded in the complaint.

WITNESS my hand and the seal of the Superior Court of the State of California, in and for the County of Alameda, this 2nd day of May, 1947.

NEWARK PORCELAIN PLANT EXPANDS

Work was begun this week on a new 60 by 40 foot annex to the Newark Porcelain Enamel Company, located at 1039 Thornton Avenue.

The company, which this week celebrates its second anniversary, is owned and operated by Roy C. Springer and Henry L. Fields.

The new addition to the plant will be a quonset type structure purchased from Kraftile Company in Niles and is being erected by McClary & Davis of Oakland. It will house the drying racks, oven and dipping racks.

The company is now doing porcelain enameling for many large businesses throughout the entire state and employ a total of eight men in addition to the two co-owners. Largest portion of the work is the refinishing of porcelain household products which have been damaged in shipping.

Crater Lake National Park in Oregon contains 249 square miles.

DIANE CROSSMAN TO GIRLS' STATE

Diana Crossman, student at Washington Union High School, has been sponsored by Washington Township Unit 195, American Legion Auxiliary, to attend the California Girls' State, to be held at North Sacramento June 17-24.

The selection of Diana, daughter of Mr. and Mrs. Frank Crossman, was announced by Mrs. Lillian Robinson, president of the auxiliary unit. The selection was based upon the following qualifications: leadership, character, courage, honesty, scholarship, and cooperativeness.

At Girls' State, Miss Crossman will join other girls similarly selected from high schools throughout California in establishing and operating a mythical state of their own. They will form political parties, hold an election for governor and other state offices, conduct a session of a state legislature, and operate all the executive, legislative and judicial functions of a democratic state.

"Girls' State is sponsored by the American Legion Auxiliary to provide citizenship training for girls of high school age," explained Mrs. Robinson. "Girls' State gives them an opportunity to live together as self-governing citizens and to participate in the actual functioning of the government. It helps them grasp the meaning of the responsibilities they must assume, as American citizens, when they become adults."

Similar Boys' States are being sponsored by the American Legion.

Members of the S.P.R.S.I. of Irvington enjoyed an all-day picnic Wednesday at Alum Rock Park. It was the group's annual outdoor all-day picnic and was arranged by Mrs. Lucille Day, chairman.

OFFICIAL NOTICE OF SALE NILES SCHOOL DISTRICT 1947 SCHOOL BONDS

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the Board of Supervisors of the County of Alameda, State of California, at the office of the County Clerk and ex-officio Clerk of said Board of Supervisors, in the Court House, 1225 Fallon Street, Oakland 7, Alameda County, California, on JUNE 17, 1947 at the hour of 10 o'clock A. M., (P.S.T.) for the purchase of $77,000.00 principal amount of the bonds of the Niles School District of Alameda County, State of California, more particularly described below.

ISSUE: $77,000.00 consisting of seventy-seven (77) bonds of the denomination of $1,000.00 each, numbered 1 to 77, inclusive, all dated August 1, 1947.

INTEREST RATE: Maximum four (4) per cent. per annum, payable annually for the first year on August 1, 1948 and semi-annually thereafter on February 1st and August 1st in each year. Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates irrespective of the maturities of said bonds. The interest rate stated in the bid must be in a multiple of one-quarter of one per cent. per annum, payable as aforesaid.

MATURITIES: Said bonds mature serially in consecutive numerical order, from lower to higher, $2,000.00 principal amount of said bonds in each of the years from and including 1948 to and including 1952; $3,000.00 principal amount of said bonds in each of the years from and including 1953 to and including 1957; $5,000.00 principal amount of said bonds in each of the years from and including 1958 to and including 1965, and $6,000.00 principal amount of said bonds in each of the years of 1966 and 1967.

PAYMENT: Both principal and interest payable in lawful money of the United States of America, at the office of the County Treasurer of Alameda County, in Oakland, California.

REGISTRATION: Coupon bonds will be issued by said Board of Supervisors on behalf of said Niles School District. Such bonds are registerable only as to both principal and interest.

PURPOSE OF ISSUE: Said bonds are authorized to be issued and sold for the purpose of raising money for the following purposes:

The purchasing of school lots;

The building or purchasing of school buildings;

The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation or repairs;

The supplying of school buildings with furniture or necessary apparatus of a permanent nature; and

The permanent improvement of the school grounds.

SECURITY: Such bonds are general obligations of the Niles School District of Alameda County, State of California, and the Board of Supervisors of the County of Alameda has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said Niles School District subject to taxation by said District (except certain intangible personal property, which is taxable at limited rates), without limitation of rate or amount.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax Laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the Bureau of Internal Revenue, or by the decision of any Federal Court, the successful bidder may, at his option, prior to the tender of said bonds by the Board of Supervisors, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

The bonds will be awarded to the highest and best bidder considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from August 1, 1947, to the respective maturity dates of the bonds at the coupon rate or rates specified in the bid and the award will be made on the basis of the lowest net interest cost to the District. The lowest net interest cost shall be computed between the dates aforesaid according to standard bond interest tables. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. Said Board of Supervisors reserves the right, in its discretion, to reject any and all bids and to waive any irregularity or informality in any bid.

The Board of Supervisors will take action awarding the bonds or rejecting all bids not later than June 17, 1947. Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer of Alameda County in Oakland, California, as soon as the bonds can be prepared, which, it is estimated, will be about August 1, 1947. The successful bidder shall have the right, at his option, to cancel the contract of purchase if the bonds are not tendered for delivery on or prior to August 5, 1947 and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid. The cost of printing the bonds will be borne by the District.

All bids must be unconditional, for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Supervisors of Alameda County, State of California, and endorsed "Proposal for 1947 School Bonds of Niles School District of Alameda County." With each bid must be submitted a certified check or cashier's check for $1,000.00 drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the order of the Treasurer of Alameda County, to secure said Niles School District from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the District. Checks of the unsuccessful bidders will be returned upon the award of the bonds. No interest will be paid upon the deposit made by the successful bidder.

The Niles School District of Alameda County has been maintaining schools and otherwise acting as a School District under the laws of the State of California continuously since July 6, 1875. The total valuation of all taxable property in said District is $2,642,350.00 and the total bonded indebtedness (not including this issue) is $55,000.00. Further information relative to the financial condition of said District will be furnished to any bidder upon request.

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of said District, or the title of the officers to their respective offices.

Dated: May 27, 1947.

G. E. WADE
County Clerk and ex-officio Clerk of the Board of Supervisors of Alameda County, State of California.

Location and Data Concerning Above Parcels to be Sold at Auction June 23, 1947

The above numbered 38 lots are each 25 by 95 feet in size and are in a level, undeveloped subdivision known as Harriman Park which is located in the southern part of Alameda County, approximately 30 miles southeast of Oakland and halfway between the towns of Centerville and Newark.

This tract may be reached from Centerville via Central Avenue to Cedar Road, left to Smith Avenue, right on Smith to about midway between Cedar and Birch Roads. It lies about opposite No. 137 Smith Avenue being partially bounded on the west by Smith Avenue and on the east by Moores Avenue, forming an "L" shaped area. In this tract, Harrison, Cleveland, McKinley, Roosevelt and Taft Streets show on the map but are not cut through, making the lots difficult to locate without a map. A map may be seen in the office of the County Assessor or of the Tax Collector.

If the present contemplated right of way is used by the State of California, these lots will be close to the proposed route of the new Oakland to San Jose Freeway.

Parcels No. 3, 4, 11, 17, 19, 22 and 27 each consist of two adjoining lots and are 50 by 95 feet in size. Minimum price $22.00 each.

Parcels No. 16 and 21 each consist of three adjoining lots and are 75 by 95 feet in size. Minimum price $33.00 each.

The remaining parcels are each 25 by 95 feet in size and will be sold as single lots. Minimum price $11.00 each.

IMPORTANT NOTICE

Properties are sold subject to certain liens, if any, such as street, sewer, lighting or other special assessment. Purchaser receives tax title which in most cases will not be passed by a Title Company until tested in a court action to quiet title.

Property will be sold at public auction to the highest bidder for the **full amount of his bid tendered**, immediately, (as each parcel is sold).

Publish May 30, June 6 and June 13, 1947.

Thinking Things Over...

By VIVIAN BATMAN

I attended a meeting of the Board of Supervisors in Oakland this week. My definition of a supervisor is a man who has mastered the art of tactfulness to such a degree that he can say "no" in a way that will make you still want to vote for him at the next election.

Supervisors are expert at assuaging the grief of the voter. Somehow you get the impression when you attend a supervisors' meeting that always uppermost in the mind of any supervisor before he makes any kind of statement is: "How will this sound to the voters?"

It makes one wonder if the supervisors have been conditioned to such an extent that before eating a meal, before taking a trip, before going to bed at nights, he asks himself, "Would the voters approve?"

After visiting the Board of Supervisors, I visited the County School Department.

This visit proved to be most enlightening. The county school heads are rather non-committal. I tried to get a story of the standing of the different schools on the recent county-wide achievement tests that were given in all the township schools. Their reasons for withholding definite facts and figures were vague.

However, they are probably wise, in ways that we didn't understand, in not divulging too much information. The fact remains, nevertheless, that we parents like to know more about what is going on in our county school department—what county tests our children are given, the approximate results, how they compare with other schools, etc., etc.

I may add that we were treated most cordially in the school department—whether as "the press" or as mere parents, I am not quite sure.

LIKE TO EAT?

Run, walk, or fly over to the Starlite Roof of the Sir Francis Drake in San Francisco if you like good food, with a view. The view, though beautiful is, in my opinion, secondary to food. Never have I seen such an array of relishes, salads, entrees, desserts. You serve yourself to all these delicacies, and when you've finished you go back for seconds—if you can possibly eat any more!

Being a timid soul, I refrained from replenishing my plate, but how I regretted it after I watched almost every other person in the room make a return trip to the loaded smorgasbord. In case you are interested, all this costs you only $1.50 for luncheon; I'm not sure whether or not they serve any dinners.

I'd better stop. This is beginning to sound too much like an ad.

A WESTERNER IN WASHINGTON

By ALLEN DRURY

"We have no practical alternative to a policy of organized plenty," said Secretary of Agriculture Clinton P. Anderson in the world in which millions of pounds of potatoes are dumped as people go hungry, in the world in which government stockpiles of wool pile up as people go unclothed, in the world in which men seek to curtail the enormous output of American production as people of humble means go without the goods the productive machine can turn out in such endless abundance.

"Our only choice is to create a pattern of production through which to use our resources wisely," the able secretary told the House Agriculture Committee.

Never once in two hours of testimony did he say, or was he asked, how the free enterprise system might create a pattern of distribution through which to use its production wisely.

"Now is the time," he said, "to train our sights on the target of organized, sustained and realistic abundance."

To attain this goal he offered a program of price support, subsidies, controlled production, acreage allotments and marketing quota programs.

He offered again, in other words, the plow-under philosophy which in 13 years of the greatest planning effort in American history was the only answer anyone could offer to the strange paradox of a steadily growing production machine bursting its bounds side by side with a world in which human want and misery stalk the continents like terrifying giants on the loose.

Mr. Anderson is an excellent and able man, one of the best in government, who knows his subject and his department thoroughly; but to listen to him testify was to listen to the expression of a theory of enterprise which somewhere along the line has run into a blind alley. Now and again he seemed to approach the problem — as Americans now and then do—but at the last moment, as Americans do, he slid away from it again. It is not how to feed the hungry which worries us; it is how to balance production so that nobody will get too much and there will always be a market. Consequently all the warnings and exhortations concern production.

Is production really such a problem? Is even planned production such a problem? The war certainly demonstrated, if demonstration were needed, that America can produce and produce and produce virtually without limit. And the New Deal demonstrated that if you really want to curtail, direct and control production, it can be done with a few bright blueprints drawn up by a few bright people. But no New Deal blueprint ever solved the problem of distribution, and all the great effort of the war was taken care of only because it could be funnelled down the endless drain of waste and destruction which war is.

Now the New Deal and the war are both over but the problem remains. The productive plant is still here, in agriculture and in industry; and much of the world still goes hungry and unclothed and millions of its people lie prey to totalitarian regimes which offer bread along with the vicious lie that only through dictatorship and tyranny can you get bread. Somewhere something is basically and fundamentally wrong; and it would seem to behoove America, the greatest producer, to find out what it is.

The problem—the great underlying problem, in many ways the only real problem—is distribution.

Sometime, and sometime soon, America is going to have to start thinking seriously about it if America wants to survive as a free nation; because it is unthinkable that hungry people will go on forever accepting a "planned abundance" which in reality is nothing more nor less than a carefully calculated scarcity.

READERS WRITE US

During the war "The Star Spangled Banner" was played often in movie houses and at public gatherings. People took great pride in our flag and everything it stood for. Now that the war is over is there no longer a reason for taking pride in Old Glory?

I wonder how many people noticed how few people there were who paid respect to the flag as it passed by in the sesquicentennial parade at Mission San Jose last Saturday?

How many men neither removed their hats nor stood at attention when the flag passed by?

I believe we, the people of a great democracy, have as good a reason now as ever before, to take pride in our flag and the things it stands for.

Sure, the war is over (maybe) but remember the boys who stayed "over there."

You're richer than you think—in household possessions.

They grow on you.

They mount up on you in value week by week, year by year.

Have you recently—or ever—taken a pad and pencil and added up the value of your furniture and clothes and other things in your home—room by room, closet by closet—shelf by shelf?

Do it, and you'll get the shock of your life. It's usually staggering! All of us, who have houses or apartments, accumulate these things *slowly*—but we can lose them all mighty fast in a fire.

How much would it cost you to replace everything in your home—and start all over from scratch right now?

PROTECTION IS DIRT-CHEAP

Fire insurance on household possessions costs so little that we are foolish to go on as ludicrously uninsured as most of us are.

You read about plenty of fires these days. You, too, can have a pip of a fire any *minute*.

So make a list today of all your household possessions—and stop in or call this agency to get covered quickly and adequately.

Annual Meeting of the First Church of Christ, Scientist, Boston, Mass., June 2, 1947

BOSTON, Mass., June 2.—Affirming that God rules the affairs of man, The Christian Science Board of Directors told the annual meeting of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, that neither fear nor animality can give evil power to boast itself over good.

Supporting this challenge, Mrs. Helen Chaffee Elwell, newly elected President of The Mother Church, urged both pulpit and press to unite in a crusade of righteousness. The hour has struck, she indicated, "for the Church to dare to be a David."

To "the harassed employer and the dissatisfied worker" and to nations generally, the Directors and the President of the Church held out the hope of harmony, not as a miracle, but rather as a simple witnessing to the fact that amity springs naturally from the application of spiritual power.

Not only improved industrial relations and better government, but also the health of the individual can be attained through spiritual understanding, the Directors contended.

Continuing in this theme, Mrs. Elwell said: "There are those who see little hope for amity among the nations, who even despair of establishing harmony, peace, or even friendliness among the families of the earth. Their world is dark, indeed."

Beyond that, there are many persons who despair of coping with the unleashed material forces of an atomic age, she pointed out. "Such thinkers," the speaker added, "need to learn the immanence of heaven, the omnipotence, omniscience, and omnipresence of the infinite God, good . . ."

"How shall they hear without a preacher?" the speaker asked. She answered her own question, thus: "The Church is that preacher, and to the Christian Church has come the opportunity, unparalled in Christian history, so to present the true concept of God in His relationship to man and the universe, that men will turn naturally to the teachings of Christ."

The Directors' and The Mother Church President's remarks highlighted one of the largest annual meetings in years, with members of the Church in session from various parts of the world. From California, England, Europe, Australia, New Zealand, and South Africa came reports of a growing resurgence in religious activities.

This resurgence was evident in announcements of the largest circulation in the history of the Christian Science periodicals. Lifting of import restrictions have increased sales in the British Isles and opened world-wide distributing channels once more, according to the Trustees of The Christian Science Publishing Society.

The Christian Science Monitor, the Trustees disclosed, attained new circulation peaks in 1946 and gained an increase of 2,500 new advertisers using its columns for a record aggregate of 22,300 advertisers. The paper also instituted the unique and popular practice of completing all front-page stories on the front page, the Trustees said.

Installation of new printing presses capable of producing 120,000 forty-page Monitors per hour, and the restoration of color covers to the Magazine section, were added to the Monitor's progress report for the year.

William D. Kilpatrick, Manager of Committees on Publication, reported the failure of many pieces of legislation that would have proved not only inimical to the democratic practice of Christian Science, but also injurious to the entire citizenry.

Today, only one of the 48 states fails legally to recognize Christian Science as a healing medium, Mr. Kilpatrick added. "That one state is Ohio," he said. Since the 1946 annual meeting, he pointed out, West Virginia and Maryland have passed laws legally recognizing the right of Christian Science practice.

In California, passage of an Unemployment Disability Benefits law gave to Christian Science practitioners the same right as physicians to certify to the disability of persons under treatment, Mr. Kilpatrick reported.

Gordon V. Comer, Clerk of The Mother Church, disclosed a substantial increase in church membership in 1946. This he held due to the fruitage of healing throughout the field of Christian Science activities. These healings, he said, covered a wide variety of diseases, "many of which are considered incurable by schools of medicine."

From this broadening scope of physical healings, Mr. Comer noted that a great many were accomplished by the individual's own reading of the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

Mr. Comer's report covered the wide fields of postwar activities, literature distribution, Sunday School Division, and the Department of Branches and Practitioners, all of which attested to the general revival of religious progress throughout the postwar world. This was seen in the opening of new Reading Rooms, the reopening of churches in war-swept lands, and the replenishing of world-wide demands for Christian Science periodicals.

His report disclosed that more than 200,000 food parcels were sent to Christian Scientists in 25 hunger-ridden countries during 1946, that food parcels were also transported directly to churches and societies in 11 European countries, and that a gift of 17 tons of books and periodicals was forwarded to German churches the moment shipping channels were reopened.

In conclusion, Mr. Comer echoed the keynote of the annual meeting in these terms: "Today the world is confronted with tremendously important problems. It is a time when the peoples of the world must begin to see that they can no longer lean upon man-made things and theories, but must lean more and more upon divine Principal—upon God."

"This desired state," he said, "must come through an awakening to a higher concept of spiritual values and of true brotherhood."

For The Christian Science Board of Lectureship, George Channing, Chairman, reported increased lecture attendance in this country and abroad. These reports, aside from the United States, came substantially from the British Isles, Australia, New Zealand, and the continent of Europe. Virtually every lecturer received word from local church members of the largest Christian Science lecture attendance ever recorded in their communities.

Biographical Sketch, Incoming President, The First Church of Christ, Scientist, in Boston, Mass.:

Mrs. Helen Chaffee Elwell, C.S., of East Hebron, New Hampshire, and Boston, Massachusetts, is a local member of The Mother Church. The preparatory years of her education were in New York, followed by the completion of her schooling in the city of Washington.

Christian Science first came to her family in the Philippine Islands while her father, Lieut. Gen. Adna R. Chaffee, was Military Governor, following his command of the international forces in China during the Boxer Rebellion, and prior to his becoming Chief of Staff of the United States Army. The study of the Christian Science textbook, and witnessing the healing power of Truth for members of her family, satisfied Mrs. Elwell that Christian Science, as revealed by Mary Baker Eddy, was the reinstatement of primitive Christianity as taught and demonstrated by Christ Jesus.

Mrs. Elwell became a member of The Mother Church in 1913, receiving class instruction in the same year. She has had membership in several branch churches as her travels permitted. Upon residing in Boston, she entered the public practice of Christian Science in 1923. She was for five years Assistant Superintendent of The Mother Church Sunday School, and for four years a member of the Christian Science Bible Lesson Committee. Mrs. Elwell has just completed a term of three years' service as Second Reader in The Mother Church.

INCREASE IN TAX LEVIES IS NOTED

Property tax levies in Alameda county this year are 52 per cent higher than they were in prewar 1940-41, California Taxpayers' Association reported this week.

The 1946-47 levy totals $34,199,600, compared with $22,467,865 for 1940-41. The current year's levy is 34 per cent higher than the $25,612,917 levy for 1945-46.

Total levy in the county for 1946-47 includes $8,533,780 for the county, $11,545,911 for school districts, $1,713,986 for special districts, and $12,405,923 for municipalities.

FORMER RESIDENT DIES AT ALAMEDA

Funeral services for Dean Bradley Preston, Alameda, a former resident of Washington Township, were conducted Wednesday from the parlors of the Fruitvale Chapel of the Clarence N. Cooper Mortuary, Oakland.

Preston, a native of Hayward, died at his home Sunday, June 1.

Interment was at Mt. View Cemetery with services under the auspices of Fremont Lodge No. 497, F. & A. M.

PLAN JULY 4TH CELEBRATION

The Filipino Community of Northeastern Alameda and Contra Costa counties has announced plans to hold the first anniversary celebration of the granting of Philipine independence on July 4 in Alvarado.

Roberto Regala, consul general of the Philippines at San Francisco, has been extended an invitation to be the guest of honor. It was also voted at a recent meeting of the group to forward a copy of the resolutions proposing the celebration to President Manuel Roxas in Manila.

EVENING SCHOOL ENDS THIS WEEK

All but three of the classes of Washington Evening Adult School will be terminated for the current school year this week, according to Warren Gravestock, school principal.

The machine shop and boys' physical education classes will continue through the summer and the businessmen's conference will meet for three more weekly sessions.

Gravestock revealed that enrollment for the evening classes during the year totaled 556 with 256 women and 300 men attending the education meetings.

FIVE INJURED IN ALVARADO CRASH

Five persons were injured Monday evening near Alvarado when a car stopped at the railroad crossing by the wig-wag signal and was crashed into from the rear by a second machine.

Driver of the first car was Miss Mildred Newell, Mountain View. She and her two passengers, Mrs. Barbara Newell, San Jose, and Kathleen Hensing, Mountain View, were taken to Fairmont Hospital suffering from minor injuries.

The driver of the second car, Jose R. Martinez, Russell City, was cited by police for reckless driving and driving without an operator's license. He and his passenger, William Reyer, also of Russell City, were treated at Fairmont Hospital and released.

SCHOOLS RECEIVE RELAY AWARDS

Ribbons were awarded Tuesday to the elementary school students of Washington Township who won first, second and third places in the annual Pentathlon Relay held at Washington Union High School athletic stadium May 7.

The meet was won by the Decoto team with Niles taking second honors.

The ribbons were presented by Dr. J. Williams, assistant county superintendent of schools; Harold Schoenfeld, supervisor of physical education; and his assistant, Carl Smith.

SENIOR BREAKFAST

Members of the graduating class of Washington Union High School will hold their annual Senior Breakfast in the school auditorium at 9 a.m., Thursday, June 12. A. E. Alameda and Edward M. Enos, members of the board of trustees, will address the group.

VETERANS' OFFICE IS OPENED HERE

E. W. Forsell, contact representative for the Oakland office of the Veterans' Administration, announced this week that he will establish a temporary office in the Memorial Building at Niles each Monday between the hours of 9 to 12 a.m.

The office is being established here for the convenience of veterans of Washington Township to save them the time and expense of making a trip to the Oakland office.

Forsell urges all veterans to make use of the office here in consulting with him regarding any problems that might arise concerning the G. I. Bill of Rights and its benefits.

He pointed out that it is still possible for veterans who have allowed their government insurance to lapse to have it reinstated by paying but two months' premiums, regardless of the time it was allowed to lapse. He also reminded veterans that they have but eight years from the date the policy became effective to convert from term olicies,

Some of the other problems Forsell is qualified to assist the veterans in include hospital care, dental care, pensions, compensations and education.

KENNETH KRAFT INJURED

Kenneth Kraft, 12-year-old son of Mr. and Mrs. Arthur Kraft, Irvington, received a painful scalp wound Sunday in Oakland when the door to the trunk of the car in which he was loading suitcases fell on his head.

ENLISTS IN NAVY

Robert E. Bruner, Route 1, Box 74, Niles, was among the 203 men who enlisted in the Navy's new civilian reserve corps at the Oakland naval reserve armory during May, it was revealed this week.

REV. RAYMOND COPELAND RECEIVES HONOR

A former student, and graduate of Washington High, the Rev. Raymond Copeland, S.J., has received a distinctive honor, having been recently elected at a convention in Marysville the state chaplain of the Reserve Officers Corps.

The Rev. Copeland, a native of Irvington and an instructor at Santa Clara University, was chosen out of 300 delegates. He will leave July 1 for a six weeks' training course in Philadelphia, after which he will return to California.

Rev. Copeland has an outstanding record in service during the war.

HOW MUSH DDT FOR LYGUS BUGS?

Results over the past two years have indicated that the lowest possible concentration which will give satisfactory results should be used when applying DDT dusts to control lygus bugs in alfalfa seed fields. Marked increases in yields have resulted from properly timed and applied DDT dusts.

Five or ten per cent DDT dusts are better than three per cent, according to Ray F. Smith and E. G. Linsley, entomologists of the College of Agriculture, University of California. Where ten per cent DDT is used, the hazard to bees and other beneficial insects may prove to be greater. Addition of sulphur to the dust gives some increase in control, but sulphur may cause injury to the alfalfa flowers in hot weather and its use is not recommended.

The quality of dust to be used will depend upon methods of application, temperatures, and other conditions. Every effort should be made to keep the drift to a minimum and to get an even application. Satisfactory dusting can be done with either ground rigs or airplanes. Drift from airplanes cannot be controlled, but in the case of ground rigs, a canvas drag will reduce the drift. It is better to apply dusts before 6:30 a.m. when there is a minimum of air movement and when the number of bees in the field is very low.

Further information is available from the Agricultural Extension Service, P.O. Building, Hayward.

MORE TURKEY

Poultry farmers in this country raised about three times as much turkey in 1945 and 1946 as they raised ten years ago. Farm Advisor T. O. Morrison thinks people in America will be eating even more turkey ten years from now than they are eating at present and paying less for it.

He says he is judging by the improvements farmers have made in turkey raising and turkey marketing in the past few years. There is room for more improvements in the same direction.

The farm advisor names a few of the things that have helped to produce and market more turkeys:

The shift to commercial hatching has cut down losses considerably. He thinks there is still an opportunity to reduce losses because a fifth of all the poults hatched last year did not reach maturity.

The National Turkey Improvement Plan has helped to cut losses and improve flock management, standardize and improve varieties, develop more efficient feeding, produce hens that lay more eggs. These developments aid in keeping down production costs. Development of small birds to fit apartment-size ovens has helped to make turkey more a year-around meat. Further spreading the use of turkey meat throughout the year is most important to the turkey business.

Swiss cheese is the fourth most popular type in this country.

Those Sun-Cooked Preserves Make Delicious Treats

Firm-ripe cherries, currants, red raspberries or strawberries may be used for sun-cooked preserves. Cherries should be washed and seeded; currants washed and stemmed; strawberries washed and capped. Drain and weigh the fruit. Work with small batches, using equal amounts of sugar and fruit. Place fruit and sugar in alternate layers in a broad pan. Let stand overnight. Heat slowly to boiling and boil six minutes. Spread in shallow trays and cover with window glass. Allow air space on all sides. Let the mixture stand in the sun for three days, or until the sirup begins to jell and the fruit is plump. Stir gently two or three times daily. Do not keep the mixture out of doors overnight. Pack into hot Ball jars and process 15 minutes at simmering.
